

Seminar: Stock Exchange's Review of Financial Statements and Comments on other Financial Reporting Matters

About the Seminar

The Stock Exchange of Hong Kong Limited (the Exchange), a wholly-owned subsidiary of Hong Kong Exchanges and Clearing Limited (HKEx), published a report in 2014 summarising key observations and findings from its review of 120 periodic financial reports released by issuers. This seminar provides comprehensive knowledge to participants on current financial statements and reporting issues with the following key areas:

- ✓ Observations from the Exchange's financial statements review programme
- ✓ Listing Rules related matters that require particular attention
- ✓ New developments arising from Consultation Paper on Review of Listing Rules on Disclosure of Financial Information
