

# Accountants, We Care

Stress is common in city life and increasingly affecting our lives. 14 accounting associations are joining hands to present Series 4 of stress management sessions for accountants to learn how to enhance our own well-being and performance and/or those of our friends. We understand that very often work stress and family life are inter-related. This time, there will be sessions on family life issues to help us learn how to manage stress coming from our families.

## Topic: Cultivating Family Resources - Prevention of stress and depression

16 July 2015, 19:00 - 21:00 (SCAA)
